SUPPLEMENTAL DECLARATION

We, George W. Keilman and George E. Cimochoowski, whose application for letters patent for an invention entitled "ENDOLUMINAL IMPLANT WITH THERAPEUTIC AND DIAGNOSTIC CAPABILITY," Application No. 09/028,154, was filed in the United States Patent and Trademark Office on February 23, 1998, declare that this application (hereinafter referred to as "later C-I-P application") in part discloses and claims subject matter disclosed in our earlier-filed Application Nos. 08/949,413, filed October 4, 1997, now issued as U.S. Patent No. 5,807,258, and 08/978,038, filed November 27, 1997, now issued as U.S. Patent No. 5,967,986, which were both pending at the time the later C-I-P application was filed, and that all amendments filed in the United States Patent and Trademark Office claiming subject matter disclosed in said earlier applications were part of said invention and were invented before the filing of said earlier applications for said invention. We have reviewed and understand the contents of this later C-I-P application, including the claims, and we believe we are the original, first, and joint inventors of the invention entitled "ENDOLUMINAL IMPLANT WITH THERAPEUTIC AND DIAGNOSTIC CAPABILITY," which is described and claimed in this later C-I-P application and for which a patent is sought.

We acknowledge our duty to disclose information of which we are aware which is material to the patentability and examination of this application in accordance with 37 C.F.R. § 1.56(a), including material information which occurred between the filing date of said earlier-filed application and the filing date of the later C-I-P application.

We further declare that all statements made herein of our own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.
